PRIVATE CHARTER

TREASURE HUNT

Nothing comes close to the pure excitement of a rigid inflatable boat (RIB) Treasure Hunt. Designed for the adventurous, a RIB Treasure Hunt offers an exhilarating and competitive day of on-the-water fun.

The focus of our RIB Treasure Hunt is for participants to have fun while working as a team, using their collective powers of deduction and reasoning to solve clues that allow them to navigate successfully to the hidden treasure. Each team, of up to six members, is issued a U.S. Coast Guard licensed Captain, a RIB and a Treasure Hunt kit which contains all the resources they will need to successfully complete their mission. As their clues guide them amongst the beautiful bays, inlets and islands of Boston Harbor and Massachusetts Bay, each crew member will have an opportunity to lead their team in creative and challenging tasks.
